Letter of Endorsement for

**YouLeaders**

Erasmus+ KA220-YOU: Cooperation partnerships for YOUTH  
Number of application **KA220-YOU-E409F49C**

I, the undersigned, as legal representative of my organization, Leiria Municipality, manifest our interest in the above-mentioned proposal.

We would like to support the proposal submission and to be kept informed about the project results to support the impact of its positive outcomes in my area of competence.

The Municipality of Leiria is in the central region of Portugal and covers an area of approximately 565 km<sup>2</sup>. It is administratively divided into 18 parishes/Unions of parishes.

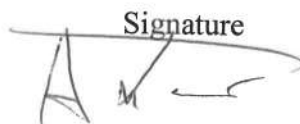

The Municipality of Leiria is responsible for the management and governance of 128 616 inhabitants. Its mission has been defined as that creating all the necessary conditions so that the inhabitants of Leiria may have a better quality of life, through providing quality services and pursuing policies which lead to the promotion of a global, sustainable and inclusive development of the Municipality.

The responsibilities of the institution include education, culture, sports, social aid, health, environment, patrimony, private and public works, public space, territorial planning, among others.

The YouLeaders Project is in line with the interests, the goals and the activities of the organization I represent. For this reason, I confirm our interest:

- In supporting the engagement of the beneficiaries of the project;
- in fostering the project results sustainability;
- in supporting the results sharing and the developed good practices transferability.
